

Teams of ERI Organization are committed to providing customers all over the world with excellent customer service about accounting, auditing, tax and consulting, help enterprises make a sound tax planning and enhance business potentials.

Accounting audit

Keeping account

Upon customer requirements, we file account books, keep accounts, prepare financial statements (monthly, quarterly and annually) and sets of financial reports, including the balance sheet, profit and loss statement, trial balance, general ledger, accounts receivable, accounts payable, bank statements and fixed-asset schedule; also we calculate and manage employees' remunerations and consult with accounting firm about report and payment of public reserve funds.

Auditing financial statement

On the premise of complying with independence principle, we provide statutory audit reports in compliance with the standards on auditing and issue opinions about authenticity and fairness of financial statements and accounting records, continuity of accounting approaches. If necessary, we will put forward management recommendation about significant problem existing in aforesaid reports and statements and propose how to improve program and raise level of management.

Tax agency

We will declare individual income tax and corporate income tax for you, make FORM-C or FORM-CS, handle GST application, fill and report GST declaration form (form 5 of GST).
Our service also includes: application for preferential tariff of PIC productivity and innovation, as well as application for exemptions of overseas profit tax for Singapore companies.

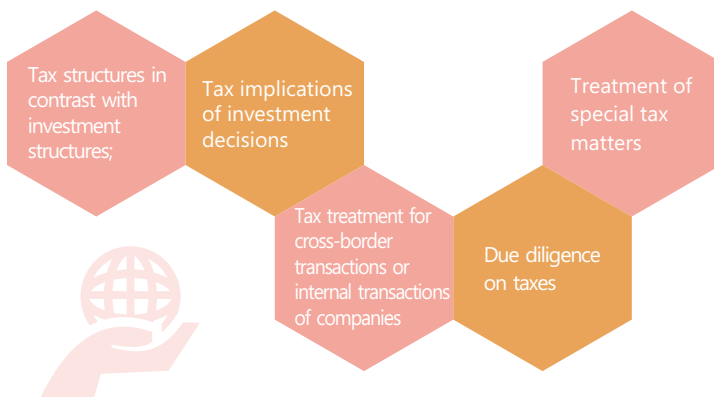

Training financial personnel

We will create professional accounting team for you to help you achieve fast, accurate, clear and concise accounts at a lower cost by contacting your financial staff in China and training them about accounting treatment in the light of Singapore accounting standards.
